HEIGHT MAGAZINE

It's a beautiful thing to be young and full of creativity. HM Young & Hollywood is saluting the young ladies and gents paving a way without necessarily letting the outside world, its influences and with social media, its words them consume them. They're swinging in a direction that best suits them and their needs- not the other way around.

In this issue

The essence of being young, vibrant and full of talent is something I remember like it was yesterday. While growing up happened very fast. I can say. There are things I wish I had done. Not that my life may have turned out differently. It's when you see the next generations taking the bull by the horns unapologetically. That is what this issue is about. Though I've titled it,***Young & Hollywood .***

I admire the Gen Z and Millennials. They've really changed the views on many things that my generation deemed as just about life and the process. The talented people chosen to represent in this issue are all amazing and have illustrated, *"doing it their way"*, with an entirely new twist. The very first digital issue of HM Hollywood was released in 2017 with a 15 year old singer and songwriter out of California named Chlo Subia. The photo shoot took place at a posh art gallery in Los Angeles. So, why hasn't there been more features like the previous one? Because I didn't feel the vibe. Not that there hasn't been any great talent to feature. Clearly there is. But, I wanted to create a unique energy *and* imagery that could continue on as an annual issue. And I want this feature to mean something special to look forward to every year for the next generation. My vision has been to highlight, young ladies and gents of various ethnicities, doing all things in a light that best suits them. And here they are. Jamila, Tavia Rivee, Tra'Lynn and Eric. Established entertainers that hold themselves to a standard that's powerful enough to represent their peers proudly. There are other great youngins' as my grandmother used to say in this issue that has nothing to do with entertainment. We take a look at inspiring inventors, writers, beauty brand builders and the socially conscious. Even some of the advertising belongs to the young and gifted.

YOUNG & HEALTHY?

Maurice Thomas

AFTER BEING IN A CRITICAL STATE IN HOSPITAL, THE YOUNG BUFFALO BILLS PLAYER IS PREDICTED TO RETURN TO THE PITCH. LAST WEEK, HE THANKED HIS FRIENDS, FAMILY AND MEDICAL STAFF FOR SUPPORT IN HIS RECOVERY IN A VIDEO POSTED ON SOCIAL MEDIA. SPEAKING ON AMERICAN RADIO STATION SIRIUSXM, DR THOM MAYER, MEDICAL DIRECTOR FOR THE NFL PLAYERS ASSOCIATION, GUARANTEED THE 24-YEAR-OLD'S CAREER WAS FAR FROM OVER. HAMLIN'S HEART HAD TO BE RESTARTED TWICE AFTER HE SUDDENLY FELL TO THE GROUND DURING A MATCH AGAINST THE CINCINNATI BENGALS IN JANUARY.

HIS CONDITION WAS LISTED AS "CRITICAL" BY DOCTORS FOR ALMOST A WEEK, BEFORE THE BUFFALO BILLS PLAYER STARTED TO GRIP PEOPLE'S HANDS.

SINCE BEING DISCHARGED FROM HOSPITAL, HAMLIN HAS THANKED HIS FANS, FRIENDS, FAMILY AND MEDICAL STAFF FOR THEIR SUPPORT DURING HIS ONGOING RECOVERY.

IN A VIDEO POSTED TO INSTAGRAM AROUND THE 2ND FEBRUARY, HAMLIN SAID: "I THINK IT IS FINALLY TIME TO SHARE A FEW THINGS.

"IT HAS BEEN A LOT TO PROCESS BUT I CAN'T TELL YOU HOW APPRECIATIVE I AM OF ALL THE LOVE, ALL THE SUPPORT AND EVERYTHING THAT HAS BEEN COMING MY WAY."

HAMLIN ALSO ANNOUNCED HE IS TEAMING UP WITH THE AMERICAN HEART ASSOCIATION, IN ORDER TO KICKSTART "DAMAR HAMLIN'S THREE FOR HEART CPR CHALLENGE" WHICH INVITES INDIVIDUALS TO LEARN HOW TO CORRECTLY ADMINISTER CPR.

BEFORE HIS CARDIAC ARREST, A GOFUNDME PAGE WAS SET UP BY HAMLIN TO SUPPORT YOUNG PEOPLE THROUGH EDUCATION AND SPORT. THE PAGE HIT MORE THAN $8.6M IN DONATIONS AFTER AN INITIAL GOAL OF JUST $2,500.

ON WEDNESDAY, HE ACCEPTED AN AWARD IN PHOENIX, ARIZONA, AT THE SITE OF THE 2023 SUPER BOWL GAME. IT RECOGNIZED HIS SERVICE TO HIS COMMUNITY, NBC REPORTED.

MOST SUDDEN CARDIAC DEATHS ARE IN OLDER ADULTS, PARTICULARLY THOSE WITH HEART DISEASE. YET SUDDEN CARDIAC ARREST IS THE LEADING CAUSE OF DEATH IN YOUNG ATHLETES. ESTIMATES VARY, BUT SOME REPORTS SUGGEST THAT ABOUT 1 IN 50,000 TO 1 IN 80,000 YOUNG ATHLETES DIE OF SUDDEN CARDIAC DEATH EACH YEAR.

THE INCIDENCE OF SUDDEN CARDIAC ARRESTS IN YOUNGSTERS HAVE BEEN ON A CONSTANT RISE DUE TO VARIOUS FACTORS INCLUDING SEDENTARY LIFESTYLE, DIABETES, ALCOHOL AND SMOKING CONSUMPTION AND HYPERTENSION. ACCORDING TO A RESEARCH PUBLISHED IN AMERICAN HEART JOURNAL, IT HAS BEEN OBSERVED THAT THERE IS A 13% INCREASE IN THE INCIDENCE OF SUDDEN CARDIAC ARREST AMONG YOUNGSTERS IN THEIR MID-30S TO MID-40S. SCA IS ONE OF THE LEADING CAUSES OF DEATH THAT CAN STRIKE ANYONE AT ANY AGE. IN CERTAIN CASES, IT ALSO AFFECTS PEOPLE WITHOUT ANY HISTORY OF HEART DISEASE. SUDDEN CARDIAC ARREST IS THE ABRUPT LOSS OF HEART FUNCTION, BREATHING AND CONSCIOUSNESS. IT IS CAUSED BY AN ELECTRICAL DISTURBANCE IN THE HEART DUE TO WHICH THE PUMPING ACTION IS DISRUPTED, HINDERING THE FLOW OF BLOOD TO THE BODY. THIS IS TRIGGERED BY ABNORMAL HEART RHYTHMS (KNOWN AS CARDIAC ARRHYTHMIA) LEADING TO DIFFICULTY AND COLLAPSE OF THE INDIVIDUALS. TIME IS VERY CRITICAL IN CASE OF SCA BECAUSE WHEN THE HEART STOPS FUNCTIONING, THE LACK OF OXYGENATED BLOOD CAN LEAD TO BRAIN DAMAGE OR DEATH IN A FEW MINUTES. THEREFORE, WHILE HELPING AN UNCONSCIOUS PERSON, TIME IS OF UTMOST IMPORTANCE.

CARDIAC ARRESTS IN YOUNG PEOPLE — WHAT CAUSES THEM, CAN THEY BE PREVENTED OR TREATED?

IS CARDIAC SCREENING THE ANSWER?

CARDIAC SCREENING IN YOUNG PEOPLE LOOKS FOR CERTAIN HEART ABNORMALITIES THAT HAVEN'T YET BEEN DETECTED. IT'S COMMON FOR ELITE AND PROFESSIONAL ATHLETES IN AUSTRALIA AND INTERNATIONALLY. THIS SCREENING USUALLY INCLUDES A "12-LEAD ELECTROCARDIOGRAM" OR ECG, WHICH IS A PAINLESS TEST THAT INVOLVES PUTTING SOME STICKY DOTS ON THE BODY AND RECORDING THE ELECTRICAL ACTIVITY OF THE HEART OVER A TEN SECOND PERIOD.

HOWEVER, ECG SCREENING CANNOT DETECT ALL THE CONDITIONS THAT CAN CAUSE SUDDEN CARDIAC ARRESTS. THIS IS BECAUSE SOME CONDITIONS DON'T SHOW ECG ABNORMALITIES BEFORE A CARDIAC ARREST.

ERIKSEN'S CONDITION WAS LIKELY IN THAT CATEGORY BECAUSE WE KNOW HE HAD REGULAR HEART SCREENINGS WHILE AT TOTTENHAM AND THESE HADN'T SHOWN ANY PROBLEMS.

OTHER THAN IN PROFESSIONAL

ATHLETES AND THOSE WITH A FAMILY HISTORY, MOST HEALTH ORGANIZATIONS DON'T RECOMMEND WIDESPREAD SCREENING OF YOUNGER PEOPLE BECAUSE THE RISK OF CARDIAC ARREST IS SO LOW OVERALL.

HOW ELSE CAN WE PREVENT SUDDEN CARDIAC DEATH? PERHAPS DEFIBRILLATORS AND DATA-

THE BEST STRATEGY FOR PREVENTING SUDDEN CARDIAC DEATH AT ANY AGE IS HAVING DEFIBRILLATORS WIDELY AVAILABLE. A DEFIBRILLATOR IS A DEVICE THAT CAN ANALYZE THE HEART'S RHYTHM AND DELIVER AN ELECTRIC SHOCK IF NEEDED. THIS CAN SHOCK THE HEART BACK INTO A NORMAL RHYTHM.

WHILE THEY OBVIOUSLY CAN'T STOP THE CARDIAC ARREST HAPPENING IN THE FIRST PLACE, THEY ARE CRUCIAL TO SURVIVAL ONCE THEY DO HAPPEN. EARLY ACCESS TO A DEFIBRILLATOR CAN INCREASE THE SURVIVAL RATE TO ALMOST 90%.

HOWEVER, ACCESS NEEDS TO BE VERY QUICK, IDEALLY WITHIN 2-5 MINUTES.

WE ALSO NEED AS MANY AS PEOPLE AS POSSIBLE TO BE REGULARLY TRAINED TO PROVIDE CPR, AND VENUES SUCH AS SCHOOLS AND SPORTING STADIUMS NEED TO HAVE GOOD CARDIAC EMERGENCY PLANS SO THEY CAN RESPOND EFFECTIVELY IF SOMEONE'S HEART STOPS.

SOME OF THE CONDITIONS THAT ARE DIAGNOSABLE BEFORE A CARDIAC ARREST RUN IN FAMILIES, SUCH AS "LONG QT SYNDROME", SO IT'S IMPORTANT TO SEEK MEDICAL ADVICE FOR ANYONE WITH A FAMILY MEMBER WHO HAS HAD CARDIAC ARREST UNDER THE AGE OF 40.

IMPORTANTLY, ANYONE WHO HAS ANY WORRYING SYMPTOMS, ESPECIALLY FAINTING OR COLLAPSE DURING EXERCISE, SHOULD SEEK MEDICAL ADVICE.

FINALLY, RESEARCH PROJECTS SUCH AS THE AUSTRALIAN END UNEXPLAINED CARDIAC DEATH (ENDUCD) REGISTRY ARE URGENTLY NEEDED TO IDENTIFY THE UNDERLYING CAUSES OF CARDIAC DEATH IN YOUNG PEOPLE SO WE CAN PREVENT DEATHS FROM SUDDEN CARDIAC ARREST.

MANAGING STRESS AND MENTAL WELL-BEING –

FOR MANAGING STRESS ONE SHOULD MAKE A DAILY PRACTICE OF YOGA, A PART OF YOUR ROUTINE. DO PRANAYAMA AND MEDITATION FOR AT LEAST 30 MINUTES EVERY DAY.

STOP USING TOBACCO AND DRINKING – QUITTING SMOKING AND ALCOHOL IS NOT ALWAYS EASY. ONE SHOULD AVOID USING THEM AS IT LEADS TO HEALTH ISSUES.

DUE TO THE RAPID INCREASE IN THE RATE OF HEART DISEASES, PEOPLE ACROSS AGE GROUPS SHOULD TAKE CARE OF THEIR HEART HEALTH. WHILE PREVENTION IS IMPORTANT, PATIENTS WHO ARE ALREADY SUFFERING FROM HEART CONDITIONS NEED TO BE EXTRA CAUTIOUS, ESPECIALLY AMONG THE CURRENT PANDEMIC. PATIENTS SHOULD UNDERSTAND CERTAIN WARNING SIGNS OF A SUDDEN CARDIAC ARREST THAT CAN MIMIC COVID-19 SYMPTOMS SUCH AS BREATHLESSNESS, FATIGUE, HEADACHE, CHEST PAIN AND MUST SEEK MEDICAL HELP FROM A DOCTOR.

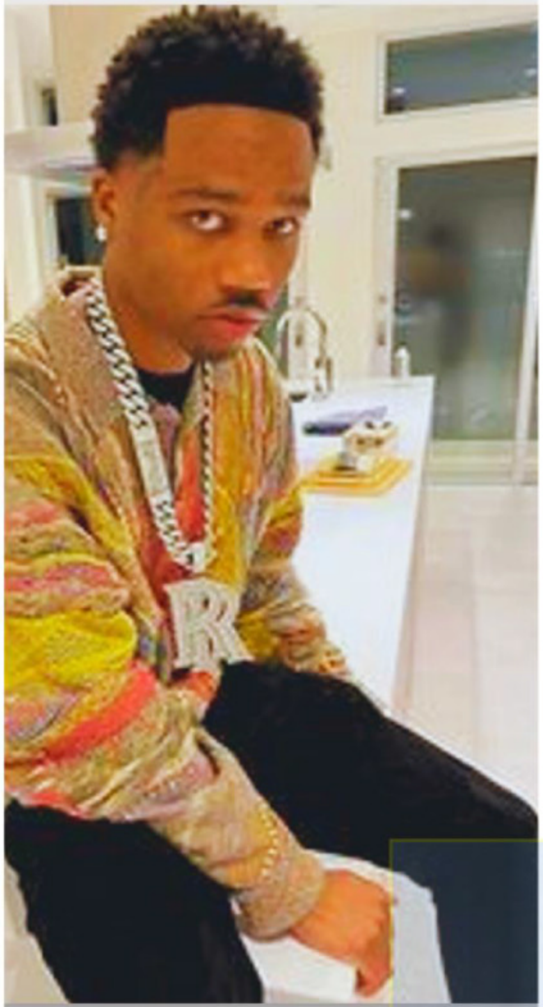
LOGIC

Sir Robert Bryson Hall II

He was born in Gaithersburg, Maryland and spent most of his life there before moving to Los Angeles in 2013. Hall had to overcome many obstacles at a very young age. Both of his parents struggled with substance abuse and could barely make ends meet. Hall often found himself caught up in these illicit activities but decided that he wouldn't end up like his parents, and decided to take up rapping. After releasing a few mixtapes and seeing modest success, he moved in with fellow music artist Big Lenbo, and made his songs out of Lenbo's basement for quite some time.



RODDY RICCH

Rodrick Wayne Moore Jr

Roddy Ricch got $20 million richer.

He won his first Grammy, and his debut album, 'Please Excuse Me for Being Antisocial,' spent four weeks at the top of the charts earlier this year. The album's breakout single, "The Box," went viral on TikTok, with more than 1.2 billion videos using his song. Ricch, who was mentored by the late rapper and activist Nipsey Hussle, has begun investing in Compton commercial real estate.

BOSS Babes

Keke

Some of us have literally watched actress and producer Keke Palmer blossom into the beautiful woman she is today. From Akeelah and the Bee to starring in her very own Nickelodeon show, True Jackson, VP. She has never stopping flying high. Trying to live outside of youthful stardom can be a tough transition. Some fans can't used to seeing their favorite child star grow into an adult. Yes, growing up in front of the camera has it perks and drawbacks. Like Keke, actress Marsai Martin of the hit ABC Network show, 'Blackish' has quietly grown up and out into the youngest producer in history with the movie 'Little'. The 18 year old shows no signs of letting up either. Taking a seat in the writers corner would be former, but forever first daughter, Malia Obama. How does the daughter of one of America's most adorned Presidents step out of her father's shadow? Well, you can start by writing one of the most prolific storylines for a new hit show. The co-writer of Amazon Primes, 'Swarm' has coined one of the wildest and unexpected episodes. That in itself is plot twist.

Body POSITIVITY

Being in the public eye and especially during these times with social media can be mentally draining. Take singer, songwriter, model and actress **Lizzo**, real name Melissa Jefferson. for instance. With all of her major accomplishments, one would think she would be celebrated. The Detroit native has been very vocal when it comes to people who take to criticizing her curvaceous figure. As a matter of fact- She will show you just how she feels about your dislikes by mooning you *or* wearing her very own sexy athleisure, Yitty Wear. The multi platinum and award winning singer has continued to elevate and dominate.

> "I'M ALL ABOUT BODY POSITIVITY AND SELF-LOVE BECAUSE I BELIEVE THAT WE CAN SAVE THE WORLD IF WE FIRST SAVE OURSELVES." "I LOVE CREATING SHAPES WITH MY BODY, AND I LOVE NORMALIZING THE DIMPLES IN MY BUTT OR THE LUMPS IN MY THIGHS OR MY BACK FAT OR MY STRETCH MARKS. I LOVE NORMALIZING MY BLACK-ASS ELBOWS. **LIZZO**

Showing body positivity for Rap star Coi Leray hasn't been hard either. The petite 25 year old has been taunted for "twerking" with a small frame or derriere. Coi Leray makes a clear statement, there's nothing wrong with loving or having a nature figure. The Boston native posed the question one Twitter in 2021, *"Is there a certain way I'm supposed to look- Help me understand?"* Body shaming women for embracing themselves is at an all time high. Thankfully, Lizzo and Coi Leray continue to be unapologetic about their beautiful authentic frames.

EDUCATION AND ACTIVISM

Greta Thunberg, Stockholm, Sweden. The now 20 year old Swedish environmental activist who worked to address the problem of climate change, founding (2018) a movement known as Fridays for Future (also called School Strike for Climate).

Thunberg’s mother was an opera singer, and her father was an actor. Greta was diagnosed with Asperger syndrome, which is now considered an autism spectrum disorder (ASD). People with Asperger syndrome tend to focus deeply on one idea or interest, and Thunberg’s cause became climate change.

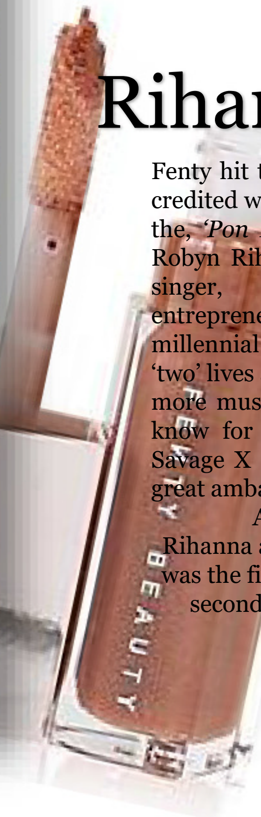
Kylie Jenner

Kylie Jenner's net worth in 2023 is $750 million.
This is according to reputable outlets such as Celebrity Net Worth-
Jenner was already exposed to entertainment as she appeared in the reality TV series Keeping Up With the Kardashians.
While Jenner was largely associated with the Kardashians, it's not a surprise that she kickstarted her modeling career. In 2011, Jenner modeled for Sears' Crush Your Style clothing line As a model, Jenner has worked with various brands including White Sands, Nip + Fab, Topshop, PUMA and Nicole by OPI. Working alongside sister Kendall Jenner for Nicole by OPI, the then teenage sisters bagged $100,000 in a nail polish deal. Furthermore, Jenner has also collaborated with Steve Madden and Quay Australia in releasing her own line of handbags and sunglasses, respectively.
In terms of social media, brands reportedly pay Jenner 1.2 million per sponsored Instagram post, making her one of the highest paid influencer celebrities today. Given that she's one of the most followed woman on Instagram with 380 million followers, this doesn't come as a surprise.

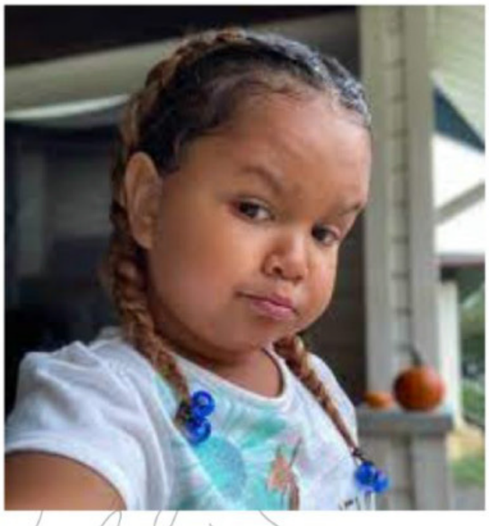


Rihanna x FENTY

Fenty hit the shelves in 2017. And now the brand has been credited with changing the entire beauty industry. Just think the, *'Pon De Replay'* was released in 2005. It's 2023 and Robyn Rihanna Fenty is now a Billionaire. The Barbadian singer, and actress has transitioned effortlessly into entrepreneurship. Not many can say that. That's an elite millennial status. While the now mother of one, soon to be 'two' lives a relatively quiet life. Her Fenty gang still crave for more music. Rihanna keeps us guessing. One thing we *do* know for sure is Fenty continues to expand every year. Savage X Fenty has offered new intimates this year with a great ambassador program to boot.

And Fenty Beauty-well you know the rest.

Rihanna also made history this year at the Super Bowl. She was the first woman to perform- pregnant *and* received the second highest ratings with her halftime performance averaging 118.7 million viewers.



Indy bugg1

Little 10 year old ***Indy Bugg 1*** won over many hearts on social media with her original choreography, unique hairstyling, that she does herself and inspirational quotes.

While some speculate she is much older than her mother, Rachel has shut down those rumors. The Ohio native vehemently denies that she or her family has lied about Indy Bugg1's age.

She's also the founder of Girls with Beauty & Brains, which is a girl empowerment blog created to encourage young women and provide them with resources to empower and motivate them to reach their highest potential. Some women she has interviewed include the following: Grammy-award winning Performance Coach, KJ Rose; Emmy-award winning NBC reporter, Joelle Garguilo; Visual journal-ist/writer, Liza Donnelly; Be More Chill producer, Jennifer Tepper; casting director, Tracey Moore; and New Jersey Congresswoman Mrs. Bonnie Watson Coleman. Some awards she has received in recognition of her blog are the following:"In Recognition and Appreciation of Your Ability to be an Inspiration and Visionary Leader" awarded by Rays of Hope and "Empowerment Through Self-Actualization" awarded by the Donald & Alease Hilliard-Chapman Foundation.
